ST ANTHONY'S

CONVENT SCHOOL

SYRACUSE, N. Y.

Affiliated with the University of the State of New York

COURSE OF STUDIES

The curriculum of studies provides for a thorough training in the various branches required for a liberal education, beginning with elementary work and passing by degrees to the studies of the advanced courses.

KINDERGARTEN COURSE

Very young children are placed in the kindergarten class, where they are prepared for the work which properly begins in the First Primary Class.

PRIMARY COURSE

The Primary Course embraces four years of elementary work.

PREPARATORY COURSE

In this course pupils remain until they are well grounded in the subjects of the Grammar Department.

ACADEMIC COURSE

The Academic Course, corresponding to the standard high school course, as prescribed by the University of the State of New York, embraces a period of four years.

COMMERCIAL COURSE

The Commercial Course is designed to meet the demands of those students who wish to secure positions that will enable them to be self-supporting. This course covers a period of two years.

SPECIAL COURSES

These include courses in Music and Needlework. For the present instruction will be given on Harp and Piano, in Sewing and Embroidery. Further information, address

SISTER DIRECTRESS.
